

A man and a woman are posing to form the letter 'H'. The man is at the top, arching his back and holding his hands behind his head. The woman is at the bottom, lying on her back with her legs raised and bent at the knees. The word 'Hepatitis' is written in large purple letters across the middle of the image.

# Hepatitis

## Know the Risks. Get Tested.

**You are at risk and should be tested if you,**

- Ever injected illegal drugs, even once
- Received a blood transfusion or organ transplant before July 1992
